1 Opening

Maiko Cheng opens the N+242nd meeting at 12:47 and chairs the meeting.

5 2 Determining Final Agenda

The agenda was quite late, **Maiko Cheng** apologizes for this.

3 Announcements

Robin van Dijke says that he will always be at a meeting this quartile, this is a toezeging. **Martijn van Dijk** asks why the sandwiches were so small yesterday, this is because
10 the bezorgkantine is on vacation. **Maiko Cheng** says it will only be for next week as well and then the bezorgkantine will be back.

4 Minutes N+241st meeting

Decision N+242.1: The minutes of the 241st are approved with thanks to the minute-taker.

15 5 Action points

The actionpoints are discussed:

- **Action point N+241.1** for Sunday on Everyone: Fill in the huge datumprikker and the poll

Not everyone filled it in, but **Noa Blied** gave all those people an Euro already. **Lora Šimić** will pick a date.
20

- **Action point N+241.3** for Next meeting on **Maiko Cheng**: Arrange everything for **Kim van Alphen** to make sure she has C4 rights

Kim van Alphen has all the rights now.

- **Action point N+241.3** for Sunday on Everyone: Fill in the poll for the C4 meetings for next quartile
25

It was clear most people want it on a Wednesday. **Noa Blied** will look if people still need Euro's.

6 Mail

No mail.

30 7 Updates

7.1 EB

Maiko Cheng still has 3/4 sponsoring talks planned. He has already found a sponsor for the EAPC next year, Thales or Dimaros will do it. The main sponsors for the intro has also already been found, but as the structure of the intro has been changed so no goodies, and lunch, **Maiko Cheng** will look into what is smart to do about this together with **Robin van Dijke**. **Maiko Cheng** is also working on the sponsoring update for the GMM, when has finished this he will send it to us to look over.

⇐ I

7.2 Company

Lora Šimić is waiting on the explanation from Kubus on what they want to do, but the rest of the lunchlecture is arranged. They want to do a more algorithm based talk.

7.3 Working groups

Only two left, and after today only one.

7.3.1 Company dinner

It is today, everything is settled. The people that will be there today to help have a list for preparation stuff. We have 15 tables, for some tables there are 8 people, for other there are 3/4 people. If people do not show up, we want might want them to be put on a permanent black list. We have 50 people subscribed, this is very nice. There are two employees from BOL. who do not have a technical background, but these are put together with someone that is in tech.

50 7.3.2 Symposium

Jelte de Kock en **Stijn Schroijsen** have send out emails to companies to see if companies would like to join, for now we have mathworks interested. If we cannot find anyone for the opening speaker we can have booking.com do it. It is still nice to have more companies also for the networking market. The budget has been approved, the website is being made so we can start promotion next week. The rest has all been settled.

8 Past events

8.1 Lunch lecture Mandemakers Groep

Martijn van Dijk thought it was quite boring. He did not really understand what they do at their companies. **Jelte de Kock** says that he thinks it could have been a bit more technical. **Maiko Cheng** has talked with them and told them that they should have explained what their companies actually do. **Maiko Cheng** will give all the feedback to them. Next year they also want to do another lunchlecture, but on a different topic, so that is very nice!

¹Lora Šimić enters the meeting at 12:55

9 Future events

65 9.1 Company Dinner

Is tonight, a lot of people are there wooh

9.2 Lunch Lecture Deltares

We have four events next week, so make sure to be around to help sometimes. this is the tuesday, regular lunchlecture from deltares.

70 9.3 Visit Da Vinci

It is overfilled already, so **Maiko Cheng** told people to unsubscribe if they cannot join.

9.4 Lunch Lecture YER

On thursday. They are bringing two people who did their traineeship and ended up at another job. It is supposed to be very technical.

75 9.5 Borrel with UiPath

Same Thursday. They do not have any special requests. They want their own table, and bring some goodies. **Jelte de Kock** asks how it works now with the goodies with the new rules from the University, **Maiko Cheng** says it will be fine. **Robin van Dijke** will send an email to the secretary of AViCo to arrange a microphone.

80 10 Discussion points

10.1 Evaluations

Lora Šimić has scheduled two options for evenings: the first one is during the sjaarzen cantus, the other is the 13th of May, so we will probably do it the 13th of May. **Lora Šimić** will send the MR's soon. For the other personal evaluations **Maiko Cheng** will send out a google planner.

Action point N+242.1 for **Maiko Cheng** on Next meeting: Send a planner for the individual evaluations.

10.2 Q4 planning

We quickly go over the planning for this quartile. We have filled all lunchlectures, but two. So very nicely done from **Maiko Cheng**!

Action point N+242.2 for **Robin van Dijke** on Next meeting: Make a trello/planka board for the planning of next year

⇒ II

11 A.O.B.

Robin van Dijke has an A.O.B. He has gotten an assignment, part of that was his identity in C4. He has a proposal for a new hammer. It will be: 'the following plop of the hammer', it is a Grolsch Beugel. **Celine de Jong** wonders how he will explain this to a department member if they walked in. The general consensus is that we would like to see more options. We also have an C4 assignment for **Robin van Dijke**, he has to

⇒ III

arrange an C4 shot at a borrel. **Maiko Cheng** also need to invite for the next meeting.

^{II}Koen van den Berk leaves the meeting at 13:20

^{III}Martijn van Dijk leaves the meeting at 13:23
